Instructions:

Please Note: This is not my own pattern. I have tried to translate it from Russian for my English speaking readers. You can see the original pattern in the link below..

The original pattern from the Russian site already contains the instruction in photos. I will not be repeating here. If you are interested in seeing the pattern in pictures, you can go [here](#).

Row1. Make 15dc into a magic ring. Join with slip stitch on top of first dc. (If you are more comfortable with chains you can begin with ch2 and dc into it.)

Row2. Ch1 to begin next row. Make a Front Post Double Crochet(fpdc) in the dc of previous chain. dc in the very same stitch. Continue around with FPDC and dc in all the stitches of the previous row. *(FPDC is made over and around the dc of previous row rather than the loop on top of the stitch! Tutorial to FPDC coming soon))*

Row 3. Ch1 to begin, FPDC in the FPDC of previous row followed by a 2dc in the same stitch. Do not crochet in the dc of the previous row. You will only crochet in the FPDC. Continue around with FPDC, 2dc all around and slip stitch to move to next row.

Row 4. Ch1 to begin. FPDC, 3dc in FPDC of previous row all around

Row 5. Ch1 to begin. FPDC, 4dc in FPDC of previous row.

Row 6. Ch1 to begin, FPDC, 4dc and ch1 in FPDC of previous row. Continue around.

Row 7. Repeat Row 6 till you have the required size of the cap.
